Dear Ms. Pasternack,

Congratulations on your retirement after more than 40 years of preparing taxes. Thank you for your commitment to helping others comply with our nation's tax laws and for working hard on behalf of American taxpayers.

I was informed you built your practice in Washington, DC and have since grown your business to include tax preparation for public officials, professional athletes, and many others. Your professionalism and dedication are evident, and I deeply appreciate the commitment you have shown throughout your career.

Best wishes to you, Gail. I know you must be looking forward to many things upon retirement, and I hope this next chapter in your life brings you all the happiness you deserve.

Sincerely,
